"Dals that Feel Like Home."

"From the hearty richness of toor to the lightness of moong and the nuttiness of chana — our organic dals bring you the comfort of home-cooked meals, made healthier and fresher, the way nature intended."

JAGGERY

Sweetness the Natural Way.

Our organic jaggery is made from pure sugarcane juice — slow-cooked without chemicals or additives. Rich in minerals and natural sweetness, it's a healthier alternative to refined sugar, perfect for your daily tea, desserts, or traditional recipes. Taste the richness, feel the difference."

Bold Flavors. Handmade with Love.

PICKELS Collection

"Our range of organic pickles – tangy lemon, hearty mixed vegetables, and classic mango – are crafted with age-old recipes and the finest ingredients. Naturally fermented, hand-mixed with traditional spices, and free from artificial preservatives, they bring a burst of authentic flavor to every meal."

"Strong, Bold, and Full of Character."

Assam Black CTC Tea

Grown in the lush valleys of Assam, our organic CTC black tea brews a rich, robust cup with a deep color and a malty flavor. Perfect for a hearty morning start or a strong cup of chai, every sip delivers the energy and authenticity of true Assam tea — pure, fresh, and unforgettable."
